100th Anniversary Celebration Hickory Grove United Methodist Church Mt. Nebo, West Virginia

Retired clergy members of the West Virginia Annual Conference of The United Methodist Church, Ginnie & Dewayne have used photography as a tool for ministry during their 49 years of service to local congregations and the Annual Conference. They continue to photograph and exhibit images that document and affirm ministries of the Church, liturgical arts, visual and performing arts, community organizations, families, individuals, and beauty in the world.

Dewayne's father, Russell D. Lowther, was Hickory Grove's Pastor from 1933 until 1937 and published "Laughter and Tears in the Mountains" in 1968 to help tell the story of Hickory Grove and the other eight churches on the old Earl Charge

A member of Hickory Grove remembered where Dewayne's Mother always sat, holding new born Dewayne on her lap!
